Display B	t02_table1-example
Display C	t03_display-c-placebo-check
Display D	t51_display-d-subgroup-estimate

Display A

t01_figure1-example

<its caption>

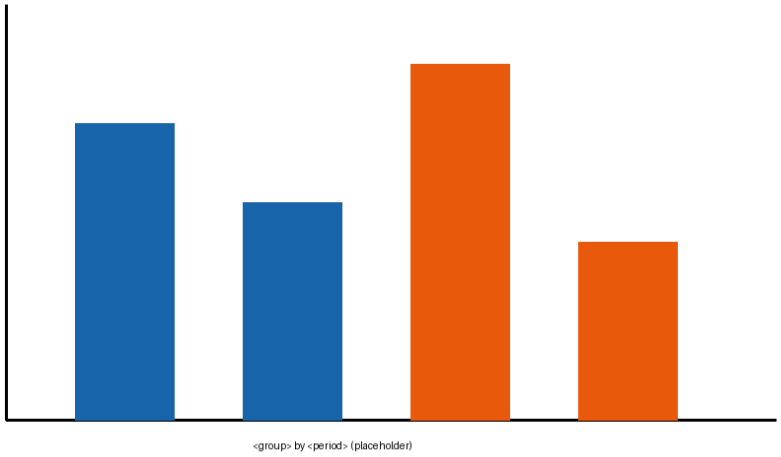

Figure 1: **<Outcome> by <group>, before and after <the policy>.** Bars show the mean <outcome> per <unit>. Placeholder figure of Tools' Paper-Example; no real data.

Display B

t02_table1-example

<its caption>

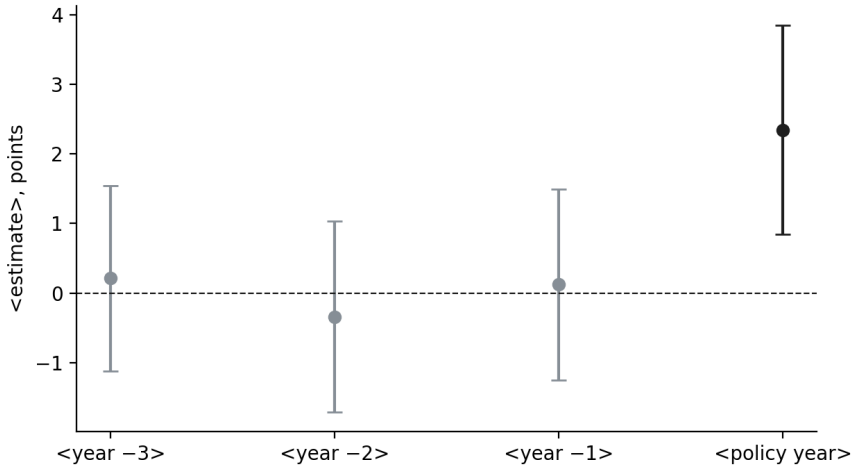

Table 1: **Mean <outcome> before and after <the policy>.** Placeholder table of Tools' Paper-Example; no real data.

	Before	After
Mean <outcome>	41.27	43.62

Display C

t03_display-c-placebo-check

<Placebo check>: the same model in years with no policy

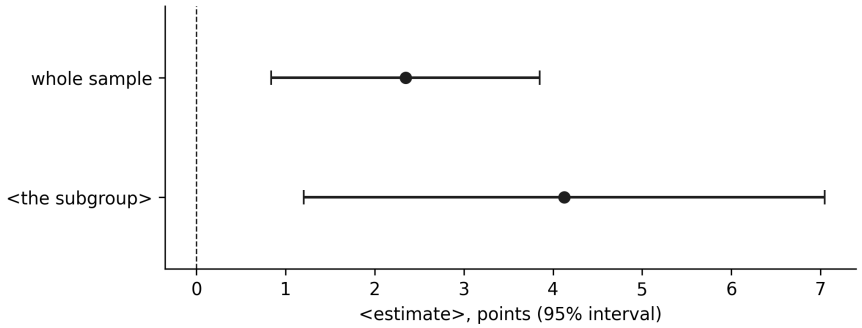

eFigure 1: **<Placebo check>: the same model in years with no policy.** Points show each estimate with its 95% interval; the dashed line marks zero; the last point is the policy year. Placeholder figure of Tools' Paper-Example; no real data.

Display D

t51_display-d-subgroup-estimate

<Subgroup> estimate beside the whole sample: the same model in <the subgroup> and in everyone

eFigure 2: **<Subgroup> estimate beside the whole sample.** Each point is the same model's estimate with its 95% interval, in everyone and in <the subgroup>; the dashed line marks zero. Placeholder figure of Tools' Paper-Example; no real data.
